HORIZON TEXAS RED CLEANER

Texas Red is a liquid concentrate composed of highly selected emulsifiers, coupling agents, water softeners, foam stabilizers, suds builders, and surfactants.

Texas Red is formulated as a concentrated multipurpose cleaner. As a concentrated steam cleaning compound, it contains ingredients which soften water, preventing scale build-up. Texas Red Cleaner is an excellent external maintenance product for general cleaning and degreasing.

It replaces the need for separate car wash, white sidewall cleaner, vinyl top cleaner, tar removal solvents, and engine degreasers. Its penetrating action removes road film with no extra effort. Texas Red is especially well suited for use in automatic car wash systems.

BENEFITS:

- SYNTHETIC DETERGENT - contains no harsh soaps, free caustic soda, or potash. Contains no materials that are hazardous to the environment.
- NEUTRAL CLEANER - safe on all environmental surfaces not harmed by water.
- CONTROLLED pH - gentle on skin.
- FREE RINSING - leaves no residue.

APPLICATIONS:

The amount of Texas Red to use will depend upon the type and degree of soil encountered. For normal use, a concentration of 4 to 6 ounces per gallon of water is recommended for soap tanks.

For medium to light manual cleaning, dilute 1 part Texas Red to 50 parts water. Apply with mop, brush, or spray. Agitate and rinse.
