

TECHNICAL DATA SHEET

HORIZON CITRUS SELECT™ CLEANER AND DEGREASER AEROSOL SPRAY

Whitmore's Horizon Citrus Select™ dissolves grease and removes dirt. It is a heavy-duty industrial / commercial cleaner and degreaser in an ozone-safe aerosol spray. It is a special blend based on the natural solvents that are extracted from citrus fruits.

Citrus Select™ rapidly dissolves built-up grease, oil, waxes, tars, paint and grime. Spray Citrus Select™ directly on surface to be cleaned. If necessary, allow some soak time. Wipe clean.

Citrus Select™ instantly releases brake dust and grease from vehicle wheels, allowing for easy cleaning with water spray.

Citrus Select™ does not contain any acids or alkalis, so it will not corrode or damage metal surfaces. It is ideal for use as a prewashing agent on work clothes to break up grease deposits. Spray directly onto greasy areas prior to washing.

Whitmore's Citrus Select™ is biodegradable. Its natural citrus base allows for control of unpleasant odors in a variety of environments.

Spray Citrus Select™ directly on the surface to be cleaned. If necessary, allow some soak time. Wipe clean.

Citrus Select™ is especially useful for cleaning built-up greasy grime from areas that have not been part of a regular cleaning regimen.

BENEFITS:

- PLEASANT ODOR - natural citrus base
- BIODEGRADABLE - no concerns about sewer systems, or damage to ozone.
- QUICK AND EFFECTIVE – reduced labor

APPLICATIONS:

Glass	Metal
Wood	Plastic
Tabletops	Desktops
Work Stations	Product Equipment
Tools and Finished Components	Walls
Doors	Chairs
Handrails	Cabinets
Computers	Keyboards
Vehicle Surfaces	Wheels
Elevator Metal	Glass or Wood Interior Surfaces
Room Deodorizer	Stained White Marker Boards
Pretreatment of Stained Clothing	

CAUTION - COMBUSTIBLE

Contents under pressure or exposure to heat may cause container to burst.

Do not spray near heat, sparks, or open flame.

Do not puncture or incinerate on stove above 120°F (49°C)

KEEP OUT OF REACH OF CHILDREN.

Before using on vinyl, leather or wood, check for compatibility on an inconspicuous area.

ASTM #		TYPICAL CHARACTERISTICS
D-97	Pour Point, °F (°C)	<-50 (<-46)
	Flash Point, °F (°C) Cleveland Open Cup	115 (46)
Gardner Method	Density, lb/gal @ 60°F (15.5°C)	11.27
	Specific Gravity, g/cc @ 60°F (15.5°C)	1.35
	Odor	Citrus
	Color	Colorless

The above are average values. Minor variations which do not affect product performance are to be expected in normal manufacturing.

PACKAGING

Aerosol Cans
12 per case
